Comments **I want to lodge my objection to the closure of the access road known as the Drove. I attended winter solstice celebrations there last year, which was a peaceful, celebratory and solemn occasion. I think it is right that people who attach religious symbolism to the stones, rather than viewing them as an historical curiosity, should be allowed to have close communion with them at the time, especially as access onto the site is for a limited period of time.**

Best wishes,

Sarah Joseph
